Company:
A-dec, Inc.

Corporate Partner Since:
1986

Corporate Headquarters:
Newberg, Oregon

Mission Statement:

A-dec will be the preferred choice of dental equipment for our distribution partners, dentists, hygienists, schools, and government organizations worldwide by providing innovative, simple solutions and services that deliver superior value to the customer.

Background:

With an extensive global network of authorized dealers and customers in more than 100 countries, A-dec is one of the largest dental equipment manufacturers in the world. A-dec designs, builds, and markets much of what you see in the dental operatory, including chairs, stools, delivery systems, dental lights, cabinetry, handpieces, and a full line of accessories. A-dec's primary focus is to create equipment innovations that help doctors perform healthier, more efficient dentistry--a mission the company has adhered to since it began over 35 years ago.
